

RETAIL ORDER GUIDE - 2023 MODEL YEAR

1967 MUSTANG GT / GTA 2+2 FASTBACK

New for 2023, the Revology 1967 Mustang GT and GTA models artfully blend authentic styling with modern functionality. Revology's 1967 Mustang GT and GTA models follow the formula Ford used over 50 years ago, as the automaker revamped its highly successful 'pony car' to face new rivals such as the Chevrolet Camaro and Pontiac Firebird. Ford applied the 'GT' designation to manual transmission Mustangs, while automatic versions were badged 'GTA'. Revology carries on this tradition with its GT and GTA models. The Revology 1967 Mustang GT and GTA models are built on the same M58 platform as all other Revology models and therefore benefit from the extensive engineering and development work completed to date.
